# Clock Tower Events

A black and white photograph of a bride and groom in silhouette, kissing in front of a large clock face. The clock face is the central focus, with its hands and Roman numerals clearly visible. The bride is on the left, wearing a long veil and a long dress. The groom is on the right, wearing a suit. They are positioned in the center of the clock face, with their heads touching and lips nearly kissing. The background is a light, textured surface, possibly the wall of the clock tower.
